I do my, Merced, and other tributaries of the San Joie, myself, any thing in print but honest aquin south of the Stanislaus; but so far as I can

To this indiscriminating hatred must be attributed, in the main, the hostile attitude of the aborigines. Last season the Indians were inoffensive-even friendly. Men passed with impuniwildest mountain fastnesses. I have myself

The simple creatures had not studied Numis shrewd as a down easter would be. Glass beads similar things, at least all they were worth .-The tricks of trade were too deep for them .-When the seller, in weighing their gold, pinched the tongue of the balance firmly between his fingers, or let the opposite end of the beam rest against his coat sleeve, or put in a two ounce weight, or even a ten ounce weight, as was sometimes done for an ounce, they did not always We have sought in vain for the "para- comprehend the reason why it took so much of harems, and donations of fat beef or horse meat

It is well that such chances of getting rich at this season few. But the Indian traffic is perhaps in a measure replaced by the rum traffic .-It is understood that the luckiest miners are those that undermine at once the reason and purse of their customers. A Catholic padre sold bad brandy last autumn, at the Stanislaus, for \$16 a bottle. Many weak men have been swept by temptation into the gulf of ruin and death. I know of half a dozen who went into the mines their own graves, and bought their death-warthe curse of Rum-the withering breath of in temperance in the territory! A scorching flame - poisonous, sulpherous, suffocating-licking over the face of society, would be less horrid,-And when men wearing epaulettes, and gilt but-DEAR POL .- About the gold-I promised to tons with anchors and eagles on them, only add fuel to the flame, and mix egg-nog till the little hours of the clock look in astonishment on the revelry, what can we hope for uncommissioned citizens and the profamm rulgus in an atmos phere so alcoholic and inflamable? Lecturing is 'damming the Nile with bulrushes.' It wants an earthquake's voice to pierce the stupified eardrum of the liquor loving public. One noble example, though, stands up like a rock amid the rushing waters, and the "Nile" feels the force of the adamant, if not of "bulrushes." It honor man, and it honors cold water, that a high military commander-beloved at home and abroad and with laurels on his brow, fresh gathered in Mexican battles, adds fresher and more glorious ones in this border field of moral peril, by sufferion fresh with health and intelligence, are a lerlike examples, without a word said, and the

It is matter of joy that of the thousands of new comers, a large portion are the staunch descended, large-hearted yeomen-holding industry to be a cardinal virtue, order, as "Heaven's first law," and education the primum mobile-aiming at a spare penny, indeed, "for a rainy day," or a charity, but not forgetting, in the rush for gain, to build the court room and the meeting house. Come over here, my dear Pol., and shake hands with half the old friends you ever knew "down east." Every other ship will bring you a "towney" or a school-mate. A dozen of my fellow "chips" of the law are about me already. Were wife and bairns" here, also, I should almost forget that I am not in New England.
